

We Can Make it Happen: ACTION IDEAS TO START TODAY

GOALS:

1. Get the Amendment on the November Ballot
2. Get the Voters out to pass the Amendment

MAKE THE ISSUE VISIBLE:

Display signs

Use bumper stickers

Wear T-shirts

BE PREPARED:

Know why eminent domain is an issue in your city and in California

Why do you care?

Why should everyone care?

Address the arguments:

Eminent Domain – Public use vs. Private for Developers

Eminent Domain as a substitute for code enforcement

“It can’t happen to me”

Affordable housing – if riding on the back of eminent

domain, then riding on the backs of those least able to afford it

If you don’t have an answer, commit to find out and get back

SPREAD THE WORD (and EDUCATE):

To friends, neighbors, co-workers, church groups, clubs, people
you meet on the street

Coffees at your house, ironing boards at markets, announcements,
speaking at meetings

Enlist others to spread the word

Write, email, fax, or telephone local and state officials – remember
to follow-up
